The Kathajodi - ‘A Flow of Aspiration’

CUTTACK MUNICIPAL CORPORATION
Cuttack, Odisha
From Editorial Board

Cuttack Municipal Corporation is working for the overall development of City from its inception. The Corporation always gives thrust on infrastructural development including development of people in primary sectors like Health, Sanitation Socio-economic condition and is committed to alleviate the urban poverty. Expectation of citizens have been a source of inspiration to us. We are taking steps to share our activities and future plans for wider circulation and in this context, publication of monthly e-news later “The Kathajodi - A Flow of Aspiration” will go a long way to bring CMC closer to the citizens of Cuttack City. It will be our endeavour to make the monthly e-news latter a window to share our plans and programme as well as achievements made in our aspirations for every body’s support in our such efforts.
National Urban Livelihood Mission (NULM)

The flagship scheme of the Govt. of India, launched in the year 2014, aims at reducing poverty and vulnerability of the marginalised, downtrodden and specially poor women in the city who toil every day for the comfort and growth of the city. The objective of the scheme is to address Occupational, Residential & Social Vulnerability through effective measures of providing access to Self-Employment, Training & placement, Shelter with all facilities to Homeless, protect and support the livelihood of Street vendors and building community structure for empowerment.

Different Components under NULM:-
1. Social mobilization & Institutional development (SM&ID)
2. Capacity building & Training (CB&T)
3. Employment through skill training(EST-I & P)
4. Self Employment programme(SEP-I & G)
5. Support to Urban Street vendors(SUSV) Scheme of Shelter for Homeless(SUH)

Heat Waves Management

1. Avoid going out in the sun, especially between 12.00 noon and 3.00 PM.
2. Drink enough water and as often as possible.
3. Wear lightweight, Light-coloured, loose, and porous cotton clothes.
4. Avoid strenuous activities when the outside temperature is high.
5. While travelling, carry water.
6. If you feel faint or ill, contact a doctor immediately.
7. Use ORS, homemade drinks like lassi, torani (rice water), lemon water, buttermilk, etc. which helps to rehydrate the body.
8. Give the patient ORS to drink or lemon sarbat/torani or whatever is useful to rehydrate the body.
9. Take the patient immediately to the nearest heath centre. The Patient needs immediate hospitalisation, as heat strokes could be fatal.

The following arrangements have been made by CMC
1. Hoardings with message of Do’s & Donot’s during summer
2. Provision of 150 numbers of Syntex Water Tanks at different parts of the city.
3. Awareness campaign on Heat stroke.
4. Control Room is to function at CMC.
5. One Mobile Ambulance Team shall move round the city to attend to the affected persons.
