Executive Engineer, Division-I
Cuttack Municipal Corporation
TERMS AND CONDITIONS

1. As per the Works Department Letter No.5310 / Dtd.02.05.2009 and Letter No.5140 / Dtd.28.04.2009, Labour Cess @ 1 (one) % of construction cost will be deducted from the bill of the contractor. Contractors are requested to quote their rate accordingly.

2. The Executive Engineer may put an end to this agreement at his option at any time and in the case bad work or materials he may remove the same and have it replace deducting the value of the same as he may think proper from any amount due that may become due to the party making this agreement.

3. EMD as specified in the above table in shape of Demand Draft / Banker’s Cheque duly pledged in favour of the Municipal Commissioner, Cuttack Municipal Corporation, Cuttack. The EMD of unsuccessful tenderers shall be refunded in due course. No other mode of payment of EMD shall be accepted. Tender received without EMD shall be rejected outright and will not be considered. Exemption of EMD shall be allowed as per the provision of OPWD codal procedure only. Request for adjustment for any previous deposits towards EMD will not be entertained.

4. The work should be start within 03 (three) days and completed within 01 (One) month from the date of the issue of the work order as per Notification for period of completion without fail.

5. Extension of time and execution shall be as per the provision of OPWD Codal Procedure.

6. A) The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be carried on with all due diligence (time being deemed to be of the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to ½ (half) percent on the amount of the estimated cost if the whole work as shown by the tender for every day that the work remains un-commenced or unfinished after proper dates or such smaller amount as the Executive Engineer may decide, whose decision in writing shall be final and binding. The work should not be considered finished until such date as the Engineer-in-Charge shall certify as the date on which the work is finished after necessary rectification of defects as pointed out by the Engineer-in-Charge or his authorized agents are fully complied with by the contractor to the Engineer-in-Charge satisfaction. And further to ensure good progress during the execution of the work the contractor shall be bound in all cases in which the time allowed for any work exceeds one month to complete one fourth of the whole of the work before one-fourth of the whole time allowed under the contract has elapsed, one-half of the work, before one-half of such time has elapsed and three-fourths of the work before three-fourth of such time has elapsed. In the event of the contractor failing to comply with the conditions, he shall be liable to pay as compensation an amount equal to one-third percent on the said estimated cost of the whole work for every day that the due quantity of work remains incomplete or such smaller amount as the City Engineer may decide, whose decision in writing shall be final and binding. Provided always that the entire amount of compensation to be paid under the provisions of this
clause shall not exceed 10 percent on the estimated cost of the work as shown in the tender including the cost of EMD.

(B) : If there are possibilities of exceeding this compensation amount as maintained in clause (a) 10% of the estimated cost, or in any case in which under any clause or clauses of this contract, the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit in the hands of the Corporation (whether paid in one sum or deducted by installments) the Engineer-in-Charge by orders of the Commissioner shall adopt any of the following courses, as he may deemed best suited to the interest of the Corporation.

7. During execution of the work, the Agency must be found present at work site and proper care to the work should be taken by the Agency.

8. **Workmanship** : The contractor shall employ skill workmen competent to the work (holding competency certificate for installation of electrical works). All workmanship shall be of the best quality and all work shall be in accordance with Indian Electricity Rules & Regulations.

9. The Contractor shall furnish, if and when required by the Engineer-in-Charge, original vouchers, test report data of the materials of the concerned company to prove that the material procure by him is as specified.

10. The Contractor shall execute the whole and every part of the work in the most substantial and workman like manner in every respect in strict accordance with the specifications, design, plan, drawing, conditions and instruction in writing relating to the work signed by the Engineer-in-Charge.

Any discrepancy between specifications and the drawings or any error, omission or ambiguity basing the same to the notice of the Engineer and obtain the instruction of the Engineer. Any work done by the contractor after discovery by him of such discrepancy, error, omission, ambiguity without authorization by the Engineer will be entirely at the contractor’s risk.

11. The quantities set out by the Cuttack Municipal Corporation in the schedule of quantities and rates annexed to forming part of the contract are the approximately estimated, quantities of work and they shall not be taken to the actual and correct quantities of the work to be executed by the contractor in the fulfillment of his obligation under the contract.

12. **Testing** : When the installation is complete in all respect and ready for handing over, all the tests accordingly to the Indian Electricity Rules shall be carried by the contractor in presence of the Asst. Engineer (Electrical), if it fails the contractor shall at once rectify all defects and short comings and any other additional tests shall be entirely at the contractors expenses and cost.

The contractor shall depute his representative to be present during all test and a competent man should be deputed for handing over the charges of all the works until the final acceptance is obtain from owners of the installation.

**Note** : All apparatus, materials, labourers required from making tests of electrical installation shall be supplied by the contractor only.

13. **Final Bill** : The final bill will be prepared by the Engineer-in-Charge in accordance with the rules of this Corporation in presence of the contractor within one month of the date fixed for completion of the work. The bill will be prepared strictly as per the measurement done and as per actual quantities of the materials used in the work.

14. In the event of acceptance of tender, the tenderer (herein after called the contractor) shall be entered into an agreement with the Municipal Corporation.
15. All the materials, tolls & plants, equipments, cement and steel conforming to the relevant ISI standard and specifications to the supplied by the contractor for utilization in works after approved by the Engineer-in-Charge.

16. Work tax and all other taxes, duties, fees, royalties, entry tax, any other charges required to be paid for construction of the work complete in all respect shall be born by the contractor.

17. The Contractor has to make own arrangement for water, electricity and such similar items required for construction, testing and curing at his cost and risk.

18. If the quantity if the work did differ from the quantity in the bill of quantities for the particular item by more than 25% provided the differential cost due to deviation of that particular item does not exceed 1% of the total contract value, the Engineers only shall allow for such deviation of the work. In no case, Engineer shall deviate the quantities for execution if the initial contract amount as whole is exceeded by 10%. For any deviation work, the Engineer-in-Charge has to obtain written permission from competent authority i.e. Municipal Commissioner, Cuttack Municipal Corporation.

19. The contractor shall bear entire responsibility under Workman Compensation Act and abide by the fair wages clause and Contractor’s Regulation incorporated in the agreement. The contractor is to quote the rate accordingly and no extra cost what so ever on this account the department to fair wage clause shall entertained.

20. Additional performance security shall be deposited by the successful bidder when the bid amount is less than the estimated cost. In such an event the successful bidder will deposit the additional performance security to the extent of the differential cost of the bid amount and estimated cost at the time of drawal of agreement.

21. If the office happens to be closed on the opening of the bids as specified, the bids will be opened on the next working day at the same time and venue.

22. The authority will not be held responsible, if any portion of the bid document is excluded or modified in the downloaded bid document.

23. The Law Court at Cuttack only shall have the jurisdiction to decide any dispute arising out.

24. Any other information can be had from the office of the Executive Engineer, Cuttack Municipal Corporation, Vikash Bhawan , Badambadi, Cuttack.

The authority reserves the right to reject any or all the bids without assigning any reason thereof.

EXECUTIVE ENGINEER, DIV.I
